(WITH INDEPENDENT AUDITOR'S REPORT)

INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Boys and Girls Clubs of the Midlands
Omaha, Nebraska:

Report on the Financial Statements

We have audited the accompanying financial statements of Boys and Girls Clubs of the Midlands (the Club), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Clubs of the Midlands as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 9, 2021, on our consideration of Boys and Girls Clubs of the Midlands' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Club's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Club's internal control over financial reporting and compliance.

BOYS AND GIRLS CLUBS OF THE MIDLANDS

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2020 AND 2019

Boys and Girls Clubs of the Midlands (the Club) provides youth development programs and opportunities as Boys and Girls Clubs of Omaha, Boys and Girls Clubs of Carter Lake and Boys and Girls Clubs of Council Bluffs.

The Club is a not-for-profit organization established to inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible, healthy and caring citizens.

The Club provides programs in three core areas:

- Basic needs – Food. Shelter. Healthcare. Safety. These are some of life’s most basic needs. Without resources to meet them, young people struggle to survive, let alone succeed. The Club provides programs that help the most vulnerable members of our community who struggle to secure these basic services. Addressing basic needs will always be a key part of our mission.
- Ready to learn – Remove the barriers that local children face in learning and help them build skills that lead to school success.
- Ready to work – Collaborate with other community organizations to provide young adults with a choice of high-quality paths to train for and join the workforce.

1. Summary of Significant Accounting and Reporting Policies

A. Basis of Presentation

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America and specifically with Accounting Standards Codification (ASC) section 958, Not-for-Profit Entities, issued by the Financial Accounting Standards Board (FASB). Net assets are classified as without donor restrictions and with donor restrictions, defined as follows:

The use of net assets without donor restrictions is not limited by donor-imposed stipulations and are, therefore, available for general operations.

Net assets with donor restrictions result from contributions and revenues the use of which is limited by donor or grant-imposed stipulations that are more specific than broad limits resulting from 1) the nature of the not-for-profit entity; 2) the environment in which it operates; and 3) the purposes specified in its articles of incorporation or by-laws or comparable documents.

B. Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Estimates and assumptions affect the reported amounts of assets, liabilities, revenues, expenses and related disclosures. Because of the inherent uncertainties in this process, it is likely that actual results will vary from the estimates.

The Club invests in securities exposed to interest rate, market and credit risks. Accordingly, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of financial position.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2020 AND 2019

1. Summary of Significant Accounting and Reporting Policies - Continued

C. Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the fair value of investments are reported in the statement of activities. Dividends and interest are recognized as earned.

D. Land, Buildings and Equipment

Land, buildings and equipment are reported at cost or the fair value of donated items at the time of donation. Assets with a cost exceeding \$2,000 and an estimated life of more than one year are capitalized. Depreciation is computed by the straight-line method over estimated useful lives.

Land improvements	10 to 15 years
Buildings and improvements	5 to 50 years
Furniture, fixtures, and equipment	3 to 15 years
Automobiles	5 years

E. Contributions

Contributions are recognized as revenue when cash, securities or other assets, including unconditional promise to give are received from a donor. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return are recognized as revenue when the conditions upon which they depend are substantially met.

The Club recognizes contributions as support with donor restrictions if they are subject to donor stipulations that limit the use of the donated assets. When donor restrictions are satisfied, net assets with donor restrictions are reclassified to without donor restrictions and reported in the statement of activities as "net assets released from restrictions". Contributions received with donor-imposed restrictions that are satisfied in the same year the contribution is received are reported as revenues without donor restrictions.

Non-cash contributions, including in-kind rent for use of facilities, are reported at fair value on the date received.

F. Grant Revenue

Grant revenue is recognized in accordance with grant terms. Cost reimbursement grants are considered conditional contributions and revenue is recognized as the Club incurs allowable qualifying expenses and bills the respective grantor. Unearned grant advances are presented as refundable advances in the statements of financial position. All grant receivables are considered fully collectible by Club management.

G. Contributed Services

Volunteers contributed approximately 1,800 and 4,000 hours of services to the Club in 2020 and 2019, respectively. The value of such services is not reported, as these services do not require specialized skills.

H. Exchange Transaction Revenue

The Club recognizes exchange transaction revenue from the following sources:

- Membership dues, fees, and incidental charges
- Special fundraising events

The Club charges school-aged youth annual membership dues of \$30 for access to the Clubs. Dues are recognized as revenue over time in the applicable calendar year. In addition, the Club charges fees for early arrival at the facility after school, summer camp, sports, and other activities which are recognized at the point in time the service is provided. The performance obligation for each service is completed within the same reporting period, thus there are no receivables, prepaid membership dues or fees that would be considered a liability.

Special fundraising events are held throughout the year in which a portion of the gross proceeds received from participants represents payment for the direct cost of benefits received by event participants. Generally, the fair value of the direct benefit received is measured at the actual direct cost to the Club. The event fee is set by Club management and is recognized at a point in time when the event is held. The fee net of direct expenses is presented as special fundraising events revenue on the statement of activities.

I. Functional Expenses

The financial statements report expenses that are attributable to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses are allocated on the basis of estimates of time and effort spent by personnel in the various program and supporting services. In addition, building and technology costs are allocated based on usage of space and equipment.

J. Income Taxes

The Club is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no taxes are included in these financial statements.

Accounting standards require disclosure and recognition in financial statements of positions taken in a tax return about the treatment of transactions and events that more likely than not would not be sustained upon examination by tax authorities. Tax positions relative to a not-for-profit organization include activities that may endanger its exempt purpose and status as an exempt organization. The Club believes it complies with all relevant tax laws and regulations and has no significant uncertain tax positions. Therefore, no liability for uncertain taxes has been recorded in the financial statements.

K. Subsequent Events

Management evaluated transactions and events occurring subsequent to December 31, 2020, and through June 9, 2021, the date the financial statements were available to be issued, to determine whether any events should be recognized or disclosed in these statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements, except as discussed in Note 11.

2. Liquidity and Availability of Funds

The Club's financial assets available for general expenditure within one year of the statement of financial position date, are as follows:

	2020	2019
Total assets at year-end	\$ 49,245,832	50,428,057
Less:		
Investments including:		
Board-designated endowment	(6,813,684)	(6,043,335)

<u>Total financial assets available for general expenditures as of year-end</u>	<u>\$ 3,878,227</u>	<u>3,740,676</u>

The Club's endowment funds consist primarily of donor-restricted endowments to support Club activities and operations. Income from all endowment funds is subject to appropriation by the board.

As part of the Club's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Club has a borrowing capacity on its line of credit in the amount of \$600,000, which it could draw upon. Additionally, the Club has board-designated endowment funds of \$6.8 million at December 31, 2020. Although the Club does not intend to spend from its board-designated endowment funds other than amounts appropriated for general expenditure as part of its annual appropriation process, amounts from its board-designated endowment could be made available if necessary.

3. Fair Value Measurements

Accounting standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Club has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements - Continued

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodology could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Club believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Club's assets at fair value as of December 31, 2020 and December 31, 2019.

(1) In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to investments at fair value presented on the balance sheet.

Fair Value of Investments in Entities That Use Net Asset Value Per Share

The investment fund's investment strategy is to allocate its assets among various investment strategies in an effort to generate long-term positive returns with a low correlation to equity markets. The following table summarizes investments measured at fair value based on net asset value per share:

4. Capital Campaign Pledges Receivable

During 2016, the Club initiated a capital campaign with the goal of raising approximately \$25 million to provide for the opening of three new club sites, renovation of a current club, and upkeep on existing facilities. The Club received unconditional promises to give (pledges) for the campaign that were to be collected over the next six years. The Club considers the remaining pledges to be fully collectible and an allowance is unnecessary. A discount rate of 3.50%, which approximates an appropriate risk-free rate adjusted for risks related to collection at the time of the pledges, was used to determine present value. Capital campaign pledges receivable at December 31, 2020 include the following:

Less than one year	\$ 1,154,634
One to five years	250,000
	<u>1,404,634</u>
Less discount to present value	8,454
<u>Net capital campaign pledges receivable</u>	<u>\$ 1,396,180</u>

5. Conditional Contributions

As of December 31, 2020, there were unrecognized conditional contributions of \$915,000 and \$85,000 for “The Club” Teen Center Program and Pottawattamic County, Iowa operations, respectively. In addition, approximately \$145,000 is available under current cost-reimbursement grants for future expenses.

Depreciation expense was \$1,003,108 and \$822,551 for the years ended December 31, 2020 and 2019, respectively.

8. Intangible Assets

In January 2009, the Club opened its Council Bluffs location at the Charles E. Lakin Human Services Campus (see Note 17). The Campus entities are required to participate in the cost of common property improvements. The Club's share of the common property improvements is \$665,000. The improvements are being amortized on a straight-line basis over 15 years.

The Club has various agreements with area school districts whereby the Club contributed to the cost of construction of the facilities and was given occupancy and use rights of the property in exchange. If the agreements are terminated by the owners, a portion of the original cost, that decreases over time, will be refunded. The costs of facility use are being amortized over the expected term of the agreements based on the applicable termination payment schedules. The intangible assets related to the agreements with Omaha Public Schools (OPS), Millard School District (Millard), and Westside School District (Westside) are summarized below.

	Expiration Year	2020			2019 Net

Amortization expense was \$563,956 and \$434,239 for the years ended December 31, 2020 and 2019, respectively.

The agreement for the Millard Central Middle School provided for delayed payments of the Club's portion of construction costs. The unpaid balance as of December 31, 2020 of \$821,464 is due July 31, 2021.

9. Debt

The Club has an unsecured \$600,000 revolving note payable with interest at the lenders national base rate, less 0.25%, but never less than 3.75%. The effective rate was 3.75% as of December 31, 2020. The agreement matured on May 31, 2021, but management expects to renew the agreement. There was no outstanding balance at December 31, 2020 or 2019.

10. Capital Lease Obligations

The Club leases office equipment under capital leases. The obligations are recorded at the present value of the minimum lease payments. The equipment is amortized over their estimated productive lives.

The following is a summary of equipment under capital leases:

	<u>2020</u>	<u>2019</u>

11. Paycheck Protection Program Refundable Advance

In April 2020, the Club applied for and received a U.S. Small Business Administration loan in the amount of \$1,003,334 under the Paycheck Protection Program (PPP) of the Coronavirus Aid Relief and Economic Security (CARES) Act. The Club is following its contribution accounting policies and treating the advance as a liability until the barrier of forgiveness is satisfied. Management expects forgiveness of a significant portion of the refundable advance as such was used for eligible expenses including payroll and benefits. Any amounts not forgiven would incur interest at 1%, payable in monthly installments over two years.

In March 2021, the Club applied for and received a second loan pursuant to the PPP in the amount of \$745,933. This loan has substantially the same characteristics and requirements of the first PPP advance referenced above. The balance of the note will mature in five years if not forgiven.

Interpretation of Relevant Law

The Board of Directors of the Club has interpreted the Nebraska Uniform Prudent Management of Institutional Funds Act (NUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Club classifies as net assets with donor restrictions (a) the original value of initial and subsequent gift amounts donated to the donor-restricted endowment funds, and (b) any accumulations to the donor-restricted endowment funds that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Club has interpreted NUPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. In accordance with NUPMIFA, the Club considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization.

Strategies Employed for Achieving Objectives

The Club protects assets and preserves purchasing power by earning a total rate of return for each category of funds appropriate to each category's time horizon, liquidity needs and risk tolerance. Funds designated as reserves have objectives that emphasize safety, liquidity and yield. Funds with a long-term horizon are managed with a long-term total return objective, which will build value at a rate of the Consumer Price Index plus 3%-5% depending on the asset mix of the portfolio. Assets committed to equity securities are maintained at approximately 60% of total assets, with the remaining 40% committed to fixed income securities. The Club allows for a 10% plus or minus variance with these percentages.

Spending Policy and How the Investment Objectives Relate to Spending Guidelines

The Club sets an annual distribution rate up to 5% each year, to be determined through consultation between the Finance Committee and the administration of the Club. The spending rate will take into account the historic returns and forecasted economic conditions.

Return Objectives and Risk Parameters

The Club has adopted investment and spending guidelines for endowment assets that attempt to preserve the principal and purchasing power of the endowment fund. Under these guidelines, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that provide a return on investment consistent with the spending policy and sufficient to increase the long-term value of the fund net of inflation. The Club's investment goal of the endowment fund is to maintain a rate of return at least equal to the distribution rate plus a rate of return that varies depending on the type of investment. Actual returns in any given year may vary from this amount.

Underwater Endowment Funds

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or NUPMIFA requires the Club to retain as a fund of perpetual duration. These deficiencies may result from unfavorable market fluctuations that occurred after the investment of donor-restricted endowment funds and appropriation for programs that was deemed prudent by the Board of Directors. There were deficiencies of approximately \$29,000 as of December 31, 2020.

Board Designations

Board-designated endowment funds are presented as net assets without donor restrictions. These funds are designated to support operations as needed.

14. Retirement Plans

Employees who have completed one year of service are eligible to participate in a defined contribution plan. Eligible employees may make elective contributions to the plan. The Club made discretionary contributions in 2020 and 2019 based on 5% of participant compensation. The Club also made mandatory matching contributions on employee deferrals up to 5% of compensation. Total Club contributions were \$280,964 and \$244,405 for 2020 and 2019, respectively.

15. Concentrations

The Club participates in federal and non-federal grant programs that are subject to review and audit by the grantor. Entitlement to these resources is generally conditional upon compliance with the terms and conditions of grant agreements and applicable federal regulations, including the expenditures of resources for allowable purposes. Any disallowance resulting from an audit may become a liability of the Club.

The Club receives an annual award from the United Way. Notification of its award for July 2020 through June 2021 was received in May 2020. Subsequent funding is at the discretion of the United Way and is dependent on the United Way meeting its funding goals.

Capital campaign pledges receivable include \$1,400,000 due from four donors.

The Club regularly maintains cash balances in excess of FDIC insured limits. In addition, approximately 11% of investments held at December 31, 2020 was in one domestic equity exchange traded fund.

16. Related Party Transactions

The Club has various service agreements with entities controlled by members of the Board of Directors. These agreements were entered into prior to the members' election to the Board or with complete disclosure of the relationship to the Board. In addition, revenues received from members of the Board of Directors are reflected in the statement of activities.

17. Charles E. Lakin Human Services Campus

The Club and four other local not-for-profit entities are party to a cooperative agreement related to the construction and operation of the Charles E. Lakin Human Services Campus in Council Bluffs, Iowa. The Campus offers various services for low-income individuals, including housing, emergency assistance, shelter, parenting classes and afterschool activities. The agreement governs fund-raising, development and operations related to the Campus. A separate not-for-profit entity, Legacy Family Campus, Inc., holds title to the common Campus real property. Each agency is required to share in associated maintenance costs. The expenses incurred are paid through endowment fund earnings held by the Charles E. Lakin Campus Foundation. If costs exceed the earnings, assessments for the remaining costs are provided to each agency for payment. Each entity owns its respective buildings and the land upon which they are constructed.

18. Risks and Uncertainties

As a result of the ongoing outbreak of the coronavirus disease (COVID-19) which was declared a pandemic by the World Health Organization in March 2020, economic and operating uncertainties have arisen, which may negatively impact the Club. The extent of the impact of COVID-19 on the Club's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, all of which at present cannot be determined. Accordingly, the extent to which COVID-19 may impact the Club's financial position and changes in net assets and cash flows is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

19. Recently Issued Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02 *Leases (Topic 842)*. Under this standard, operating and finance leases with a lease term of more than 12 months will be recorded in the balance sheet as right-of-use assets with offsetting lease liabilities based on the present value of future lease payments. The standard also requires qualitative and quantitative disclosures designed to assess the amount, timing, and uncertainty of cash flows arising from leases. This standard is effective for the Club's year ending December 31, 2022 with earlier adoption permitted. Management has not completed evaluation of the impact of the adoption of this standard on our financial statements.

In September 2020, the FASB issued Accounting Standards Update No. 2020-07 *Not-for-Profit Entities (Topic 958)*. Under this standard, contributed nonfinancial assets are required to be presented as a separate line item in the statements of activities, apart from contributions of cash and other financial assets. The standard also requires qualitative and quantitative disclosures designed to enhance the transparency about the measurement of contributed nonfinancial assets recognized by Not-for-Profit entities. This standard is effective for the Club's year ending December 31, 2022 with earlier adoption permitted. Management has not completed evaluation of the impact of the adoption of this standard on our financial statements.

Note to Schedule of Federal Awards

The above Schedule of Expenditures of Federal Awards includes the Federal grant activity of Boys and Girls Clubs of the Midlands (the Club) and is presented on the accrual basis of accounting. This information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The Club elected to use the 10% de minimis indirect cost rate.

The Club did not pass through any funds from federal awards to subrecipients.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Boys and Girls Clubs of the Midlands
Omaha, Nebraska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys and Girls Clubs of the Midlands (the Club), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 9, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Club's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control. Accordingly, we do not express an opinion on the effectiveness of the Club's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2020-001 that we consider to be a significant deficiency.

The Club's Response to the Finding

The Club's response to the finding identified in our audit is described in the accompanying corrective action plan. The Club's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Club's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors
Boys and Girls Clubs of the Midlands
Omaha, Nebraska

Report on Compliance for Each Major Federal Program

We have audited Boys and Girls Clubs of the Midlands' (the Club) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Club's major federal program for the year ended December 31, 2020. The Club's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Club's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Club's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Club's compliance.

Opinion on Each Major Federal Program

In our opinion, the Club complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2020.

Report on Internal Control Over Compliance

Management of the Club is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Club's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Club's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED

YEAR ENDED DECEMBER 31, 2020

Section II – Financial Statement Findings

2020-001 Accounting Transactions

Criteria: Internal controls should be in operation that provide reasonable assurance of the Club's ability to report financial data reliably in accordance with generally accepted accounting principles (GAAP).

Condition: The Club's accounting personnel must review and record all transactions related to the current period in the general ledger in accordance with GAAP.

Cause: The Club did not review all transactions to identify and record significant receivable and investment changes and the related revenue implications in its general ledger.

Effect: The Club had significant unrecorded or improperly recorded transactions in the general ledger which resulted in a significant number of adjusting entries that were material to the financial statements.

Response: See Corrective Action Plan.

Corrective Action Plan

1. Finding 2020-001

a. Comments on the Finding

We concur with the finding and agree that we should review and record all transactions related to the current period in the general ledger in accordance with U.S. Generally Accepted Accounting Principles (GAAP).

b. Action(s) Taken or Planned on the Finding

Our plan to accurately account for transactions is as follows:

- 1.) Additional staff has been added in the Accounting department which will allow for separation of duties, better tracking and additional oversight from month to month.
- 2.) The CFO will work closely with the General Ledger Accountant to ensure that any items identified will be reviewed and corrected in a timely manner.

This will allow us to accurately account for transactions and to remain in accordance with U.S. GAAP. This corrective action plan will be reviewed annually to ensure compliance.

c. Anticipated Completion Date

Procedures were implemented in January 2021 and will continue indefinitely.
